WEEK FOUR

## Bible Verse:

"Instead, be kind to each other, tenderhearted, forgiving one another, just as God through Christ has forgiven you." Ephesians 4:32

## Read this Message:

Every single person has sinned. We've all messed up and someone needed to pay the price for it. The Bible says that the price of sin is death. That's pretty huge and it's definitely not something we would want to pay ourselves. The good thing is, Jesus came and died on the cross to pay the debt for our sin. Because of this, we should forgive others and show them the same love that Jesus has for us.
