Say the Main Point

**I Want God's way!**

# Read This Message

**In our world today, we have lots of pain, anger, suffering and injustice! We know that Jesus is THE answer to our pain! Jesus died on the cross so we could have the courage, through the Holy Spirit, to show the world His love and to stand up for what is right! But, sometimes in order to take a stand, we must take a seat, to listen and understand the hearts of the hurting! When we don't choose to have empathy, we won't be able to give people who are hurting the support they are longing for... Let's choose to go God's way and we will always stand up for what's right!**

**Let's say our main point;**

***I want God's way!***
