Say the Main Point

I Want God's way!

Read This Quick Message

The way we treat others matters!

It matters to God

and the world around us.

It reflects our hearts and our JESUS!

In our Bible story, David had several chances to hurt King Saul, but he chose not to, because his heart was good! He knew killing King Saul was not God's way! Let's show others kindness and God's love today!

Let's say our main point;

I want God's way!

Memory Verse Challenge

(Read it out loud 3 times to help you memorize it!)

"People look at the outward appearance, but God looks at the heart." 1 Samuel 16:7
