Jeremiah 29:11

Read this Message:

There are people in our lives who already have plans for us. Maybe it's our teachers or our parents that have plans for what they want us to do and who they want us to be. Maybe we have our own plans of what we want to do when we grow up, but there is someone who has a much better plan for our lives. God has a plan for you, and His plan for you is better than any other plan!

The most important part of God's plan for you is following Jesus. Even though you may face problems and challenges, you are going to make it through because God has a plan for you!
