Story**

WATCH IT HERE:

Simple Simon: How Big is God?

**Main
Point**

SAY THIS 5 TIMES FAST:

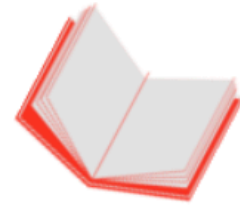

**GOD IS BIGGER
THAN ANYTHING!**

**Bible
Verse**

READ THIS OUT LOUD:

**"Wow! Lord God, You made Heaven
and Earth with Your great power
and Your out- stretched arm.
Nothing is more amazing than You!"
Jeremiah 32:17**

READ THIS:

God is so BIG! He created every good thing in creation. In the Bible, He helped David beat Goliath. He helped Israel defeat a city with a huge wall. He saved His people from the most powerful nation on Earth! Most importantly, God saved us from sin by sending His son, Jesus. Because of Jesus, His death, and His resurrection, we can have a relationship with God. That relationship begins the moment you say yes to Jesus. As you talk with God, praise Him, read His Word, live for Him, and follow Jesus, you will be amazed at what He does in your heart and in your life!

Read this out loud:

Dear Jesus, we are so thankful for your great power! You are strong and mighty! This week, help us to have faith in your power at work in us and around us! Help us to remember that you are the strength inside of us even when we feel weak.

Help us to have your joy in our heart this week! You are so faithful!

THANK YOU!

AMEN

DON'T FORGET:

Spend time with God this week alone! He wants to talk to us always- He has amazing things to say, PROMISE!

We've attached a Time With God worksheet on the next page to help you!

TIME WITH GOD

- 1) Ask your parents to play some worship music for you on their device.
- 2) Go into your room alone and talk to God as you complete this activity.
- 3) Then just sit and listen for His voice.

People I
Pray for:

Write something YOU learned from our VDK lesson:

Draw a creative picture for God:

Write out a prayer to God:

COLOR ME!

PRAY FOR

THE WORLD!
